

The background features a large, white industrial machine with 'DATEC' and 'DATE CO., LTD.' printed on its top. The machine has two large circular gauges on the front and a control panel on the left. In the foreground, there is a smaller, white machine with a similar design. The background is a dark blue gradient with a technical drawing overlay showing various circular patterns and dimensions like '65.10', '32.50', and '381.50'.
